SUBJECT : *Observance of the Moral Guidance Week*

Presidential Proclamation No. 472 dated October 2, 1989 declares the second week of October each year as the Moral Guidance Week for Public Servants.

This year, the National Social Action Council (NASAC) in coordination with its member-agencies is spearheading the observance of the Week from October 9 to 15, 1995 with a line-up of activities intended to strengthen the values of our public servants. This year's theme is "*Makatao't Makakalikasang Kaligtasan: Pananagutan ng Bawa't Isa.*"

In this connection, you are hereby enjoined to support the NASAC activities for the Week which will be announced later and to undertake specific activities in your respective agencies to mobilize your personnel for nation-building through practical exercise of human values in their daily lives and to awaken them to the power of these values in achieving individual and national goals particularly along environmental concerns.

Agencies are likewise encouraged to participate actively in the Civil Service Commission's values development programs such as VOW (Values Orientation Workshop) and ALAB (Alay sa Bayan) courses and to support the government's Moral Recovery Program. The end in view of all these is to seek empowerment of all government workers at all levels through sustained application of human values and virtues to overcome our problems and build our country in accordance with our national vision.

For compliance.
